CHURCH IN PRISON

"I had lost hope and was in a miserable state before you came and shared the Gospel with us!"

THE PRISONER'S JOURNEY

“I never thought I would be in such a situation, ending up in prison! After six months I will get released and I’ll remember the best friend I got to know in prison, Jesus! A friend I never thought I would know. The more I hear about Him, the more I rejoice in my soul.”

DIAKONIA

“We found another place, where we can shelter from the domestic violence we’ve experienced as a family.”

A man with dark hair and glasses, wearing a grey sleeveless t-shirt and colorful shorts, stands on a paved sidewalk. He is looking down at a pair of plaid shorts he is holding. Behind him is a blue bicycle with a large blue metal cart attached to the back. The cart is overflowing with various items of clothing, including shirts, pants, and a patterned blanket. The background shows a green hedge, trees, and a white car parked on the street. A red banner with white text is in the upper right corner, and a dark grey oval with white text is at the bottom.

RESTORED DIGNITY

**Back at work after many years in prison,
with the necessary tools for self-employment.**

DREAM ACADEMY

“I tended to withdraw myself, but participating in Dream Academy helped me create new contacts and find good friends that I will continue to have throughout my life.”

SECURED CHILDHOOD

**“Thank you for bringing joy to my children!”
were the words of a mother after the active week
we had with the children.**

Restorative Justice

**“In the Restorative Justice course
I learned more about respect.
Respect for all, even those who are different from us;
even those who seem to be our enemies.”**

WINTER PROJECT

“My happiness is to see the boys go to school and lack nothing, neither food nor love. It has been easier for us with your support, so thank you!”

A man wearing a red and blue striped long-sleeved shirt is holding a NISATEL SIM card in his right hand. The card is blue and white with the NISATEL logo and text. The background is a plain, light-colored wall. A dark red banner is at the top right, and a dark grey speech bubble is at the bottom.

Abandoned prisoners

**"We are forgotten but only you remember us.
People do not know the hell we go through,
but you are our ears and eyes."**

STAFF
